

Lincoln Gallery News

Dear friend,

Our National Fine Art Show is coming to town and so is our juror Jamie Lindholm and her workshop, "Creativity Released."

Work in *YOUR* medium & *YOUR* subject matter

Creativity Released

A Journey to Your Unique Voice

with Jamie Lindholm

Tuesday - Thursday
May 7,8,9
9 am - 3 pm each day

Lincoln Gallery, 429 N Lincoln, Loveland, CO

Artists, here's the question: are you feeling stuck? Not sure if you've found your niche? Do you have a way of working that you like but you want to take it to the next level?

One of the challenging things for an artist is to find their own voice. What really makes you tick? What excites you? What ways of working will help you express who you are and what you care about?

Take advantage of the chance to discover your own personal style, your preferences, and your expression.

You can work in YOUR medium and with YOUR subject matter. This is not a class to teach you one technique or how to imitate one person's art. This is about YOU.

Our juror Jamie Lindholm has taught drawing and painting to students of all ages. She brings a wealth of experience and skill to her time with us as a juror and workshop instructor. Jamie executed a major pivot in her artwork several years ago, finding her own unique voice, visible in her paintings today.

Jamie will be offering "Creativity Released: A Journey to Your Unique Voice" on May 7-9 at the gallery. Sign up today! Only a few places remain. [CLICK HERE to register.](#)
