

Lincoln Gallery News

Dear First name / friend ,

If you think the colors on the trees have been amazing, wait until you see the colors on our walls this month!

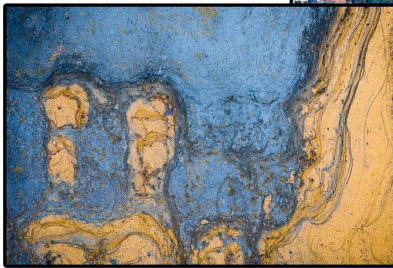

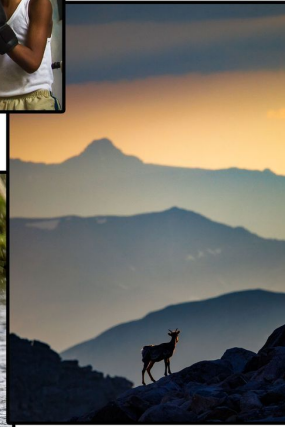

The National Photography Show opens on Friday. This show always brings in a stunning collection. This year is no exception.

Our members reduced the amount of work they have in the gallery to make room for the National Photography Show, but many of them have brought in all new pieces. Even if you've been in recently, it is time for another visit.

Thank you, as always, for your support of TVAL!

This will be a great refresher for exhibiting members, and a great learning opportunity for Basic members who would like to be juried into the gallery.
