## TVAL NEWS

TVAL will host an **Invitational Pottery Show** the month of May. The display will have our members Mari, Verkuyl, Don Crego, Susie Morey, Carolyn Pearce and Timarie Pearson displaying. Several outside artists will be contacted to participate. Our members still need to bring 2-D artwork for the walls. The display is just in time for area visitors for Mother's Day and School Graduations.

The first week of May the **Bill Reed Middle School Photography** class will present work from their winter/spring assignments. We hope to have over 26 students displaying approximately 65 pieces of work. The public, Bill Reed students, faculty, as well as family and friends are invited to attend a reception on May 4 from 6 to 8:30 pm. This is another Art League community program.

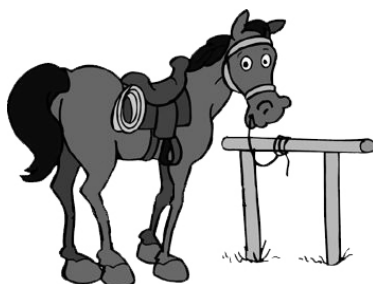

The **June Juried Show** committee is assembling to get that show information together. Jenifer has contacted those that signed up from the membership forms to meet very soon. This is an open show for the public to enter works for prizes and recognition. Call for entries will be made available as soon possible for the promotion of the show. Works will be accepted the last week of May with entry deadline June 2 at 2 pm. Contact Jenifer Cline to sign up and be a part of this show.

Our next **Barnes & Noble Book Fair** is scheduled July 21 & 22<sup>nd</sup> at the Centerra Shopping Mall in Loveland. Bonnie Terrill has volunteered to be coordinator for the events. This is a huge effort for us and the last Harry Potter book is coming out that weekend. Activities to interact with children have been suggested. Artists might be in costumes depicting a character or something relevant to the Harry Potter books. We want to be creative and visible to promote us as well as the Barnes Noble Bookstore. Anyone willing to help out with scheduling or for the weekend can contact Jeff.

## Book Sale

The Loveland Museum is sponsoring a one-day event with an "Old West, Historic" theme June 30<sup>th</sup> from noon to 8 pm. They will have vendors for an art market venue on 5<sup>th</sup> street and will be closing the parking lot off for overflow activities. TVAL is planning to participate and have applied to secure 3 spaces along side the galley. We need working artists during the event, Western or Frontier attire is optional, dancing and music is free to the public. This could be a real "hootin'-hollern" affair, bring family, friends and neighbors to help support the event in Downtown Loveland.

Don't forget to contact Jenifer for helping with "Night on the Town" each 2<sup>nd</sup> Friday of the month. We need greeters, hosts, greeters and working artists 6 to 9 pm. Summer is fast approaching bringing longer daylight hours with more people roaming around Downtown. The Art League helps sponsor this night to bring more exposure to the gallery.

## **Jeral McDonald** **TVAl April Member of the Month**

**Gallery Changeover is  
March 30 & 31!**

Jeral is a retired middle school Art teacher who lives in Loveland, Colorado. He taught Art to grades 6-9 in Sterling, Colorado for 31 years following receiving a Bachelor's Degree in Art Education from the University of Arkansas, Fayetteville.

While living in Sterling, he enjoyed exhibiting in many shows in the Gallery at Northeastern Junior College with other local artists.

Jeral enjoys working with watercolors painting a wide variety of subjects. He says, "Working with watercolors can bring unexpected surprises that may or may not change my original idea. I find it challenging to see what I can do to create a painting that is alluring to the viewer."

He has enjoyed painting narrow gauge railroad scenes, landscapes, children, animals, and flowers. He is available for commissioned work, as well.

Jeral's work is in private collections throughout the United States.

Since moving to Loveland five years ago, Jeral has greatly enjoyed meeting other artists from the area while exhibiting his work at The Lincoln Gallery in Loveland, Colorado.

## **Artists in the News!**

He hopes to have most of his equipment installed in the next two weeks. Besides full framing services Mike will stock painting supplies and display his artworks. Phone 970-278-0120, email: ottemanarts@bigfoot.com or www.ottemanarts.com. Best of luck Mike!

**Linda Palmer** was juried into the Western Federation of Watercolor Society's 32<sup>nd</sup> Exhibition at the Arvada Center June 1-Nov 21. She has been accepted into the Art Center of Estes Park, the L.I.W. Cargo Fine Art Gallery in Manitou Springs and the 20<sup>th</sup> Annual Women's History Month Art Exhibition in Estes Park. The 2007-2008 "Insider's Guide to Estes Park" selected a Watercolor of Linda's for their cover.

**Margi Greene** is the featured artist at the Barnes & Noble Bookstore in the Centerra Mall. She will have a reception on site from 3 to 5 pm April 14 in the Coffee shop.

**Thank you Susie Morey** for the hands on program working with glass. Members designed pendants from pieces of glass, which Susie took home and fired in her kiln. They all have turned out great and we ask each person participating to bring them in at the next members meeting to share with others. \$150 was collected for the materials and donated back to the Building Fund from Susie. It was a unique experience with a different medium and everyone enjoyed the opportunity to participate.

In the past years some people have slipped under the radar and put an extra burden on those that do volunteer. This is not a new policy, but one that requires attention and is now being monitored closely. Concerns regarding this policy must be addressed through the TVAL Board of Directors.*
