Thompson Valley Art League (TVAL) has been a part of the Loveland Community for 45 years, sponsoring Art in the Park in August and three juried shows throughout the year. We serve as Loveland’s local art league and our membership is open to anyone interested in the arts. Our gallery, Lincoln Gallery, is located in Downtown Loveland, one block north of 4th St. on Lincoln Ave. We are a non-profit, 501 (C) 3 organization.

Our mission includes: promoting the enthusiastic pursuit of art; encouraging individuality and freedom of expression; providing local artists with opportunities for public recognition; and advancing the public appreciation of art.

As a non-profit corporation, we rely greatly on the generosity of individuals and businesses to help support our mission. Contributions are tax deductible in accordance with current IRS codes.

Sponsorships at all levels are welcome from individuals and/or local businesses who may wish to take advantage of TVAL’s year-round publicity efforts.
