## *Art in the Park 2020 -- August 8 & 9, 2020*

For over fifty years Art in the Park has been Thompson Valley Art League's largest fundraiser. Equal parts art, performance, music & craft beer, there is something for everyone!

Art in the Park is held the second weekend in August of each year and has become a sought-after summer show in the region with booths filling up by late spring of each year. This event features over 200 artisans whose work is all handmade -- plus craft beer and food!

### *Call for Entries - National Fine Art Show*

Calling all artists! Entries are now open for the 2020 National Fine Art Show with cash awards in excess of \$2,000.

In 2019 the Show featured paintings, drawings, photographs and 3D works from artists across the country. Held at the same time as the Governor's

Show at the Loveland Museum, the National Fine Art Show has become one of the most prestigious locally hosted national shows. Lincoln Gallery is literally across the street from the Loveland Museum, so the closeness of both venues brings great numbers of visitors to see the works of our exhibiting artists.
