

# MEMBERS UPDATE

## Sign up for Short-term volunteer positions is underway

All Exhibiting members are required to fulfill 4 volunteer commitments in 2022. Silver members are exempt from this requirement. Do keep in mind that everyone (Exhibiting or Silver) must work at Art in the Park. Sign up here: [signupgenius.com/2022\\_short\\_term](https://signupgenius.com/2022_short_term)

Exhibiting members' fulfillment of volunteer requirements will be monitored by the Board. The Board will review members' progress at their April, September and December meetings. Members not fulfilling the requirement will be subject to

consequences which may include loss of exhibiting privileges in the gallery or even loss of membership.

See the website for all documents related to these policies. [lincolngallery.com/member-documents](https://lincolngallery.com/member-documents)

**Please know:** we are not trying to be punitive. We believe that all of our members want to be active and supportive. We could not do all that we do without you! We are simply trying to ensure that each member who enjoys exhibiting privileges in the gallery is doing their fair share of the work associated with keeping TVAL a vibrant, active group.

## Member Show!! Coming Soon – Get Your Work Ready!

We are showing off our members' artworks during the month of February! ALL of our members can participate – Basic, Exhibiting and Silver.

The Member Show is not juried (no judging to get into the show.) There is no deadline to enter the show. You simply bring in the work you want included in the exhibition. The show will be judged in order to select award recipients.

Members may bring in one or two of your works to exhibit in the show. Works need to be delivered on Friday or Saturday, February 5-6 from noon to 4 pm.

For entry guidelines and the schedule, refer to the prospectus. [\[link to pdf of member show details\]](#)

## It's time to become a member or renew your membership!!

Artists who have joined TVAL by January 31 are eligible to participate in this year's Member Show. Do you know an artist who would like to join Thompson Valley Art League? Send them a Basic membership application [\[link to pdf\]](#) or direct them to our website. The 2022 Membership Agreement (to renew your Basic or Exhibiting membership) is on the website. You can also pay for your membership on the website! Just be sure to click the appropriate annual fee (\$45 for Basic, \$300 for Exhibiting, \$1000 for Silver.) ## Classes and Workshops

We already have classes scheduled in January, February, March, April and May – with more soon to be added! Our Education Chairperson, Mary Landis is working to add a Scott Freeman watercolor workshop and a “Narrative Landscapes” workshop with Amelia Furman.

To explore our complete list of classes and workshops visit our website. Sign up soon; our workshop in May is already full!
