Secrets of Oil Painting

June 14, 2021

10 am – 4 pm

After 30 years of painting professionally Lyse has learned a lot of secrets in landscape oil painting and she would like to share her knowledge and tricks with you. Here's what Lyse says, "This is an intense 6-hour, hands-on workshop. You'll get plenty of attention, and I invite questions based on your unique needs and skill level. Experience the creative magic, and take a beautiful painting home!" Participants will all paint the same painting.

Here's what participants will learn:

- color mixing,
- quick sketch,
- how to apply paint using different brush techniques,
- and how to achieve realism using cheap oils and a drab photograph!
