

TVAL/Lincoln Gallery Newsletter – January, 2022

## Happy New Year!

*We hope you have had an enjoyable holiday season – and are looking forward to a fulfilling and rewarding new year.*

*Lincoln Gallery and the Thompson Valley Art League had a great year! We are grateful for you. Together we have offered classes and workshops in a variety of subject matters, held a Member Show plus four juried art shows, and finished the year with strong sales in the Gallery. Art in the Park was well-staffed by our members, and Jill and TVAL received many positive comments from AITP vendors who appreciated how well the entire event was conducted.*

### Here’s what the new year will bring for TVAL and Lincoln Gallery:

2022 will celebrate the joining together of TVAL and the Loveland Artists Collective. This year will be filled with even more varied classes and workshops, our usual array of shows, a variety of members meetings and special events, as well as our beautiful gallery continuing to be filled with original art! Here we go!

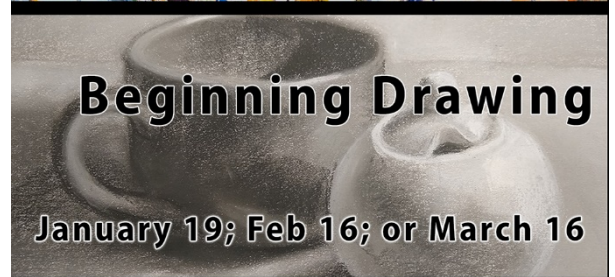

### Classes and Workshops

We already have classes scheduled in January, February, March, April and May – with more soon to be added! To explore our complete list of classes and workshops visit our website. Sign up soon; our workshop in May is already full!
