

Alcohol Inks Level 1

with Randy and Teresa Redmond-Ott

May 15 or August 7, 2022
12 noon – 3 pm

This Level 1 class introduces Alcohol Inks to students that are new to the medium or for those needing a confidence booster. We will:

- explain the color wheel & color theory as it relates to these inks,
- show how to manipulate and safely apply alcohol inks, and
- complete small projects on a variety of surfaces.

You will gain an understanding of how this vibrant fluid ink works, how colors combine, and have a fun time exploring the foundations of what you and the medium are capable of creating.
