9:00 am to 3:30 pm

Vicky will share her techniques to create fun, colorful fantasy landscapes. Students will have the opportunity to explore this fun medium. All paintings turn out differently! Students will leave with 3 separate paintings.

As an artist/instructor Vicky enjoys sharing her passion for art with her students. Her teaching style consists of demonstrating art techniques in steps toward a completed painting. She allows her students to experience the process of art making in a fun and relaxed environment. Vicky states, "My adult students have an opportunity to step out of their daily routines into a creative space for a while."

During her career as a certified art educator Vicky has received local, state and national recognition with numerous awards.
