

May 21, 2023  **1:00 – 4:00 pm**

*Gail Frick has been working with fused glass for over 10 years.
One of her favorite things about glass is it's endless possibilities.
She invites you to fall in love, too!*

Come explore the world of kiln formed glass! Kiln formed glass is an art form where separate pieces of glass are subjected to high heat (1200 F to 1600 F) to “fuse” the pieces together.

- create glass flowers for display indoors or outside
- learn the process of kiln forming glass
- experience cutting and manipulating glass
- your pieces will be fired, slumped and finished for you to enjoy
