

FUSED GLASS ORNAMENTS

with Gail Frick

October 28, 2023 ☐ 9 am – 12 noon

Get a jump on your Christmas preparations in this hands-on class!

During this class you will learn about the fascinating properties of glass and the art of kiln-formed glass art (AKA fused glass).

Each participant will be able to make a glass snowflake and a glass Christmas ornament. Your pieces will then be placed in a kiln and ready for you to pick up the following weekend.

Come prepared to expand your understanding and appreciation for this ancient material!

Gail Frick has been working with fused glass for over 10 years. One of her favorite things about glass is its endless possibilities. She invites you to fall in love, too!
