Vibrant Fall Landscapes *in Watercolor*

Sunday, September 22 ~ 1 - 5 pm

at Lincoln Gallery, 429 N. Lincoln Ave., Loveland

The beauty of Colorado's vast landscapes can be challenging to capture in a painting. Come learn a process for creating beautiful art from even the most complex landscapes. Learn how to simplify, bring focus and a strong design to what you see and translate that into a successful painting. Watercolor's properties of light and transparency make it an excellent medium for capturing the vibrant colors of Colorado's fall.

Finished painting will be 11x14" and fit a standard matted 16x20 frame.
