

Abstract Mixed Media Workshop

Gloria Campbell, instructor

Sunday, August 24, 2025 ~ 1-5 pm

at Lincoln Gallery, 429 N. Lincoln Ave., Loveland

This workshop is a fun introduction to using layers of papers (found and painted), paints, stencils, acrylic markers, graphite, etc. to create an abstract-ish painting. Each participant will walk out the door with an 8" x 8" painting on a wood cradle. Things can get messy so please wear an apron or art shirt. Participants can complete the class using the supplies provided but bringing a few scraps of lightweight paper you've doodled/painted on, or a few pages torn from an old book could add to the fun. NOTE: no scissors are allowed.

Cost for the class:

Thompson Valley Art League member: \$100

Non-member: \$110

All materials are provided by the instructor and are included in the class fee.

Cost of the materials is included in the class fee!
