**All materials provided, plus firing of your piece!*

Students will explore the wonderful world of kiln-formed glass. Kiln formed glass is an art form where separate pieces of glass are subjected to high heat (1200 F to 1600 F) to "fuse" the pieces together.

- learn about cutting glass, the physics of glass and the art of glass
- a hands-on learning environment
- your pieces will be fired, slumped and finished for you to enjoy
