National Fine Art Show - entry deadline is July 26.

Covid-19 forced the postponement of the show - and gave us time to re-imagine it in new and better ways!

- **Location:** at the Gallery AND online!
- **Audience:** local art patrons, friends of the Gallery AND everywhere social media can reach!
- **Opportunities:** because we will create multiple videos of the juror's comments, the awards, and the art work, the accepted artists will be able to share their accomplishment with family, friends and followers - wherever they live!

The National Fine Art Show will be September 4 through October 2 at Lincoln Gallery and beyond! Enter now - the show will be bigger and better than ever!

Coming July 10 -- our next
