

THOMPSON VALLEY ART LEAGUE/LINCOLN GALLERY

May-June 2020 Newsletter

We are open and filled with art

Lincoln Gallery is now open! We are available for browsing or buying during our normal business hours: Tuesday through Saturday, noon to 6 pm. We are observing all Larimer County guidelines regarding Covid-19 and the “safer-at-home” orders. Six foot distances are marked throughout the Gallery, all touch points are regularly sanitized, masks are required, and curbside pick up is available.

VIRTUAL EVENT!

Friday, June 12, 6:00 pm

Our Facebook Live Virtual Event for the May Night on the Town was a huge success! We are coming right back with another five artists and their donated pieces. The art works will be sold at half price (a steal of a deal!) and all proceeds will go to benefit the Gallery.

Get on Lincoln Gallery's Facebook page at 6 pm, Friday June 12 to enjoy the show or purchase a piece.

Entry deadline: July 26

The National Fine Art Show will be held Sept. 4 - Oct. 2. No matter what the pandemic restrictions are in the Fall, we plan to hang the show and live stream the opening. All artists will be able to experience the opening and hear the judge present the awards and comment on the winners.

GoFundMe: time to top it off!

We are over and above the half-way point! The GoFundMe site shows \$4,425, but that's only part of the story. The Gallery has also received donations directly of \$1,905, bringing our **total to date to \$6,330!**

That's great! What we need now is to "top this off." If you have not yet donated, please do so today. The other tremendously helpful thing you could do is to share our GoFundMe with your friends and family – or on your social media pages.
